

**The Swiss Society for Anatomy, Histology and Embryology's 81st annual meeting,
September 6th 2019**

PROGRAM

- 09.30 – 10.00 Welcome coffee
- 10.00 – 10.10 Introduction (Pr S. Grabherr & Dr S. Sabatasso) (*Auditorium*)
- 10.10 – 10.30 Introducing UFAM, the new entity in charge of teaching Morphology at the FBM (15 min + 5 min questions) – Dr S. Sabatasso (*Auditorium*)
- 10.30 - 10.55 The impact of post-mortem imaging on anatomy (20 min + 5 min questions) – Pr Grabherr (*Auditorium*)
- 10.55 – 11.15 Coffee Break (*Outside : sunny weather, Main Hall : rainy weather*) / Poster Session (*Main Hall*) / Exhibitor demonstration (*Dissection Room*)
- 11.15 – 11.40 The post-mortem diagnosis of early myocardial ischemia : where morphology reveals its limits (20 min + 5 min questions) – Dr. Sabatasso (*Auditorium*)
- 11.40 – 12.05 Introducing SHIFT, a new unit of taphonomy at CURML (20 min + 5 min questions) – Dr Varlet (*Auditorium*)
- 12.05 – 14.00 Lunch (*Outside : sunny weather, Main Hall : rainy weather*) AND
- Parallel sessions :
- Exhibitor demonstration ANATOMAGE (*Dissection Room, by groups*)
 - Poster Session (*Main Hall*)
- 14.00 – 14.25 Identification of the retrotalar pulley of the Flexor Hallucis Longus (Fhl) tendon (20 min + 5 min questions) – Dr Anthony Oliveto (*Auditorium*)
- 14.25 – 14.50 Pan malleolar extended lateral approach to the Ankle: a cadaveric anatomic study (20 min + 5 min questions) – Dr Anne Kummer (*Auditorium*)
- 14.50 – 15.50 General Assembly SSAHE (*Auditorium*)
- 15.50 – 16:00 Meeting conclusion (*Auditorium*)

With the support of exhibitor :

Anatomage

**The Swiss Society for Anatomy, Histology and
Embryology's 81st annual meeting, September 6th 2019**

Registration and Abstract submission: alexandra.morrison@unil.ch

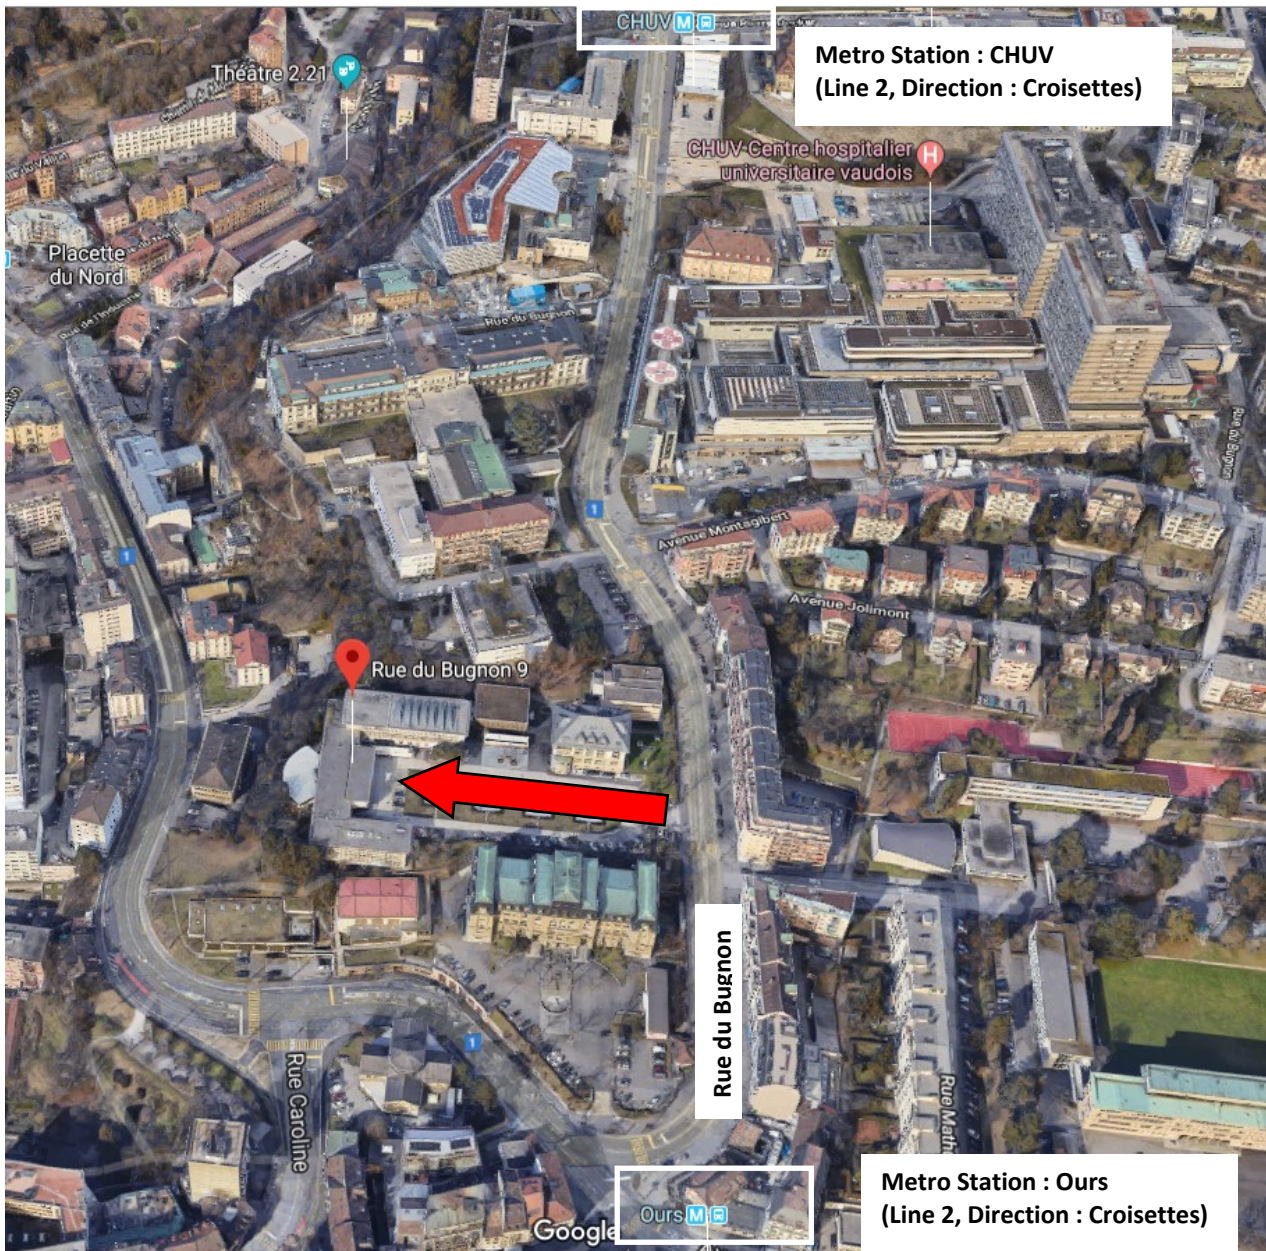

SSAHE membership list:

EUROPEAN FEDERATION FOR EXPERIMENTAL MORPHOLOGY, EFEM

INTERNATIONAL FEDERATION OF ASSOCIATIONS OF ANATOMISTS, IFAA

SWISS ACADEMY OF SCIENCES, ScNat

LIFE SCIENCES SWITZERLAND, Ls²

Meeting place : Rue du Bugnon 9, 1005 Lausanne

From the train station : Metro Line 2 (Direction Croisettes) - Metro Station : **OURS**
